

How to get UMMC Entry Visa

Guideline for :

Healthcare Worker (Not UMMC Staff) / Patient / Visitor

Step 1

To get the Entry Visa, there are few options to access :-

Option 1

Download the free QR Code Scanner Apps via Google Play (Android) or Apple Store (OS)

- After the apps downloaded, scan the barcode

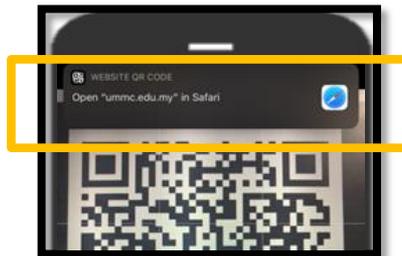

Option 2

Open your mobile phone's camera and scan the barcode

- Click the link pop up

Option 3

Browse through UMMC official website at www.ummc.edu.my

- Click the UMMC Entry Visa banner

Step 2

You will be asked to select your visa category

Choose Category

- Choose your visa category and click “Proceed”
- 1) Healthcare Worker (Not UMMC Staff)
 - 2) Patient
 - 3) Visitor

The screenshot shows a web form titled "SELF SCREENING FOR UMMC ENTRY VISA" with the University of Malaya Medical Centre logo at the top. Below the title, the question "Are you a / Adakah anda seorang :-" is followed by five radio button options: "Healthcare Worker (Petugas Kesihatan)", "UMMC Staff (Staf PPUM)", "Not UMMC Staff (Bukan staf PPUM)", "Patient (Pesakit)", and "Visitor (Pelawat)". A "Proceed" button is located at the bottom right of the form.

Step 3
